REFERENCES

From many years we collaborate with some of the best national and foreign architecture offices which have always required, for their projects, the best lighting solutions from both functional and esthetic point of view.

We work for important projects of all sizes, providing consulting and interior design services.

Listed here some of our references.

I maestri ROSA:

Sin da bambino il vetro ha suscitato in me un grande fascino, appresi facilmente le tecniche ed i "segreti" delle varie lavorazioni di questo materiale, imparando così l'arte dai Maestri delle migliori Fornaci Muranesi.

La passione e l'esperienza acquisite in tanti anni di lavoro, la ricerca della bellezza e della perfezione, tra il calore della fornace e l'abilità di trasformare il vetro in vera e propria opera d'arte.

Ecco cosa ho cercato di tramandare ai miei figli, l'amore per l'Arte del Vetro. Riuniti da questa passione, abbiamo deciso di proporre la nostra collezione di lampadari, appliques, e altri complementi d'arredo, tutti fatti a mano secondo la più antica tradizione del vetro soffiato di Murano...

ROSA glassmakers:

Ever since my childhood glass has been arousing great fascination, so much so that I easily learned the techniques and "secrets" of working from the best Murano Factory "Fornaci".

Merits of the passion and experience gained in all these years of work, always looking for perfection and beauty in the heat of the furnace and the plasma structure of glass that create true art works ...

That's what I passed on to my children, it is love for the art of glass ... United by this passion, we decided to develop our collection of chandeliers, wall lamps, Flambeaux, vases, chalices, tipetti, pieces of furniture hand made according to ancient tradition of Venetian Glass Art...
