LUXURY CRAFTED IN VERONA

MILANO 2019

We don't make luxury.
We craft it.

Reinterpretation of the extraordinary technique Kintsugi, the oriental art of **"repairing with gold"**.

The use of **inlay techniques** with refined essences, precious materials and metals allows the creation of exclusive decorations.

Bruno Zampa gets inspired by the pioneer of the
geometric abstractionism and Russian avantgarde
Kazimir Severinovič Malevič, reinterpreting **geometric
shapes and nature in an abstract way.**

Special metal alloys give the decorative element new shapes and innovative **highly tactile effects**.

The decoration with **geometric patterns** represents the most authentic abstract art.

ZB

Inspired by the pure nature of the famous Florida park, the entire central corridor is decorated with paneling that represents the **fusion of art and technique**.

The **transparent resin** enhances the beautiful shape of rushes, giving them depth and a new light.
